FOR IMMEDIATE RELEASE

DSG TO ATTEND ASIAN PHARMA IT SUMMIT IN SHANGHAI, CHINA

MALVERN, PA., April 25, 2018 – [DSG, Inc.](#), an industry leader in eClinical software and services to the life science industry will be exhibiting at the [Asian Pharma IT Summit 2018](#). The conference is set to take place June 12th to June 13th in Shanghai, China at the Crowne Plaza Century Park.

The Asian Pharma IT Summit stands as one of the most respected and anticipated conferences throughout the pharmaceutical technological world. DSG is attending for the first time as it seeks to increase its presence in the emerging Asian region.

The Asian Pharma IT Summit will house the most recent leaders in the pharma technology space which include biotechnology, leading clinical research associations, and innovators delving deeper into the ever evolving medical technology world. Conference topics span across the spectrum of artificial Intelligence and big data to clinical development and precision medicine.

“I look forward to presenting DSG's capabilities of our eClinical software solutions for this critical conference,” said Ricky Brohmer, vice president of Asia operations. “Over the past year we have rebranded our image and aggressively expanded our international footprint and services across Phase I-IV clinical studies optimizing the management and cost of each study.”

DSG invites attendees to meet with Mr. Brohmer, who will be available at booth #G08 to demonstrate DSG's eCaselink™ EDC software, and its complete line of integrated solutions.
